# KARTIK SHARMA

Artificial Intelligence Practitioner and Thought Leader

## MEET THE
## INSTRUCTOR

Kartik Sharma is a distinguished technology pioneer with over 15 years of expertise in Artificial Intelligence (AI) and Machine Learning (ML). He has driven innovations in conversational AI and Robotic Process Automation (RPA) and co-founded multiple AI-driven companies, including DcodeAI, AgnitioAI, and ScoobiesAI, which have contributed to transformative advancements in AI and technology for businesses and educational institutions worldwide.

## INDUSTRY
## EXPERIENCE

Kartik's leadership roles include guiding AI initiatives at the Mafatlal Group and serving as Chairperson for CodersHQ's AI Educators Task Force. He has mentored startups through the Stanford Seed Spark Program, provided AI consulting for the Indian government, and invested in AI solutions in education, transportation, and more. He has worked with major corporations such as Nestlé, Deloitte, and Naspers. His work has influenced AI adoption across industries, particularly in computer vision and natural language processing.
